20th ANNIVERSARY MONSTER REUNION

We are trying to DIG UP past alumni from 1989 to present to join us for an opportunity to re-awaken your INNER-MONSTER during this season's event. Do you remember that first scare, dropping patrons to their knees in fear, the rush of excitement waiting for your next victim to come around the corner, hearing the screams and that satisfying feeling knowing you have done your job well....! If any of this brings back some fun memories and strong yearnings we are offering you the chance to revisit the past. Do you think you still have what it takes... here is your opportunity to strut your stuff again... If you even dare... If you are curious.... See below for details...

Here's how it works... We will be granting the privilege to past alumni to join us for a night or two of fun. Spread the word to anyone you know and maybe even come as a group. In return for your efforts you will receive:

- Haunted Hydro Timeline Series CD
- 20th Anniversary special edition Ghoul-A-Bration T-Shirt
- 2 Anniversary Tickets for family members to come and see you that night or for you to use another night
- A picture will be taken of you that night to be put on our Alumni Wall in the Museum as well as posted on our website and myspace – space permitting.

To register all you have to do is...

1. Fill out the form below or online at our website – www.thehauntedhydro.com
2. Pick a date you would like to come and have a back-up ready in case we have a full house – visiting actor space is limited
